

## A Residential Training School for Advanced Studies in Biblical Theology

We are pleased to announce that we are now accepting “requests” for applications for the C.M.I. School of Christ in Leslie, Arkansas.

The School of Christ is a residential training school, which exists to instruct those who with singleness of heart have purposed to lay down their lives in the learning of Christ and the preaching of the Gospel. Although the training at the SOC will be theologically sound and structured, our intention is not to unleash polished theologians into the Body of Jesus Christ. Every element of the curriculum will be motivated by one goal and that is that every soul that enters this environment will experience the soul transforming power of God known as the Revelation of Jesus Christ. We understand that you only declare that which you are seeing. Therefore, it is our purpose at the SOC to create an environment that directs hearts to that One Eternal Vision of God, so that those who leave this place will have no other gospel to declare but that One Gospel which is only proclaimed through the inward revelation of the Son of God.

At the School of Christ you will find:

1. An environment where hearts and minds will be confronted daily by and saturated in the Truth.
2. An environment where Christ Himself is the central figure.
3. An environment where the scripture is presented and taught as fulfilled in Christ.
4. An environment where the learning of Christ is by the Revealing of the Son Himself.
5. An environment where the Gospel that is taught is through the Father revealing the indwelling Son.

If this speaks to your heart and you feel as if the Lord is leading you to pursue such a knowing and declaring of Christ and you would like an application for the inaugural class of the C.M.I. School of Christ, then please email us at [cmibibleresearchcenter@yahoo.com](mailto:cmibibleresearchcenter@yahoo.com) or call us at 870-447-3050. We will email or mail you an application immediately upon your request. After we read and process the applications, we will then call you for an interview. Final acceptance to the SOC will be contingent upon the personal interview (in person, by phone, or by web chat).
